# Welcome Letter

Dear Friends of VALLEYLIFE,

This marks our 70th year of providing services to individuals with disabilities in the valley. VALLEYLIFE is dedicated to our mission to enhance the quality of lives of people with disabilities. Our goal is to provide safe, reliable, caring and nurturing environments for our Members. We enable our Members to live a life with choices, independence and dignity.

Without the generosity of our friends, donors and community partners, this would not be possible. Your generous donations and our hardworking and dedicated staff have accomplished a lot this year. We are very proud of these achievements and think you will be too.

- There are now six successful vegetable gardens planted at our group homes.
- The multipurpose room addition to our 29th avenue facility is complete.
- Phase One of our main campus Solar Project is complete, which is estimated to save VALLEYLIFE \$2,500 per month.
- Home and Community Based Services provided 3,166 additional hours this fiscal year over last, which is an increase of 13%.
- 391 Members were served by Vocational Services this fiscal year, which is nearly 30 more Members than last fiscal year.

As you read this report, VALLEYLIFE is mid-way through our 2018 fiscal year (July 1, 2017 – June 30, 2018) and we are expecting 2018 to bring continued issues with state funding. We need your help and support more than ever in our efforts to serve and advocate for our VALLEYLIFE Members and all of our community members with disabilities.

We hope you will find this report informative and inspiring. Also, we hope it will encourage you to continue your support of our Members and our mission to serve them. Thank you for choosing to support our programs and for helping ensure our Members are living full, happy and independent lives.

Thank you,

Peter C. Connolly  
Chair, Board of Directors

## Financials

### Cost of Providing Services

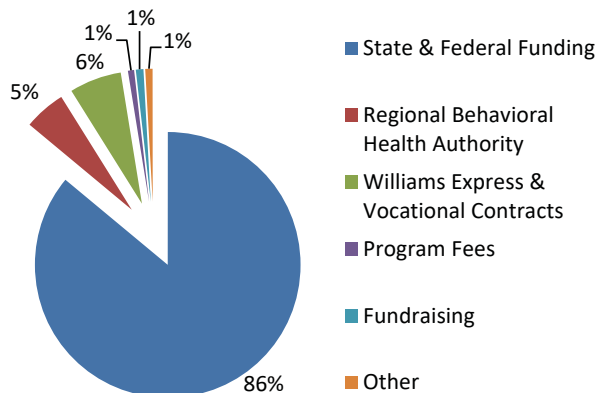

Total Expenses \$15,361,150.00

VALLEYLIFE's overhead costs are 7%, which means 93 cents of every dollar goes directly to the programs serving our Members. With an operating budget of over \$15 million, VALLEYLIFE continues to have lower overhead costs than most similar agencies in Arizona. You can count on VALLEYLIFE to ensure your donations are used in the best possible way to benefit our Members.

The majority of VALLEYLIFE's revenue (86%) comes from state and federal funding sources. The Regional Behavioral Health Authority accounts for 5% of our annual revenues. VALLEYLIFE's printing company, Williams Express Document and Print Services, along with other Vocational contracts account for another 6% of revenues. The final 3% of revenues come from fundraising, program fees and other sources.

### Revenue Sources

Total Revenue \$15,664,162.00

# *Our Programs and Services*

## *Residential Services*

VALLEYLIFE Group homes provide a safe and healthy home environment for our Members. These homes function like traditional family homes, with three to six adult residents who, along with staff, prepare and enjoy meals together, go on outings, attend events, host engagements and support each other. Our caring and dedicated staff assists residents with all activities of daily living, such as transporting them to medical appointments and other vital services, habilitation, community involvement, training and achieving personal goals.

VALLEYLIFE operates 26 licensed group homes located in communities throughout the Phoenix metropolitan area, which currently serve 108 Members. These homes offer varying levels of independence and skill levels from intensive, highly structured programs to programs promoting increasing independence.

To better serve our Members, this year additional training programs were developed and implemented throughout VALLEYLIFE. Gigi's Rule was implemented, which helps staff identify and act in emergency situations. Additional training sessions and workshops were also added to our programs for behavior plans, Americans with Disability Act (ADA) and health record documentation.

Our nutrition program is still going strong. A nutritionist works with Members and staff to develop healthy meals and remove processed foods. Six group homes now have successful, productive gardens that provide fresh produce for their home and sometimes enough to share with other homes. Besides providing fresh produce, the gardens have also proven to have a therapeutic effect on some of the Members.

## *Day Services*

VALLEYLIFE offers multiple Day Services locations with 11 adult day programs based on varying independence and skill levels. Members are assigned to program sites based on physical, sensory, cognitive impairment and intellectual challenges, mental illness and/or various types of chronic disease. The program will be chosen based on what best meets the needs and interests of the Member.

Day programs are designed to improve independent living, social and recreational skills. They encourage intellectual and social growth as well as increase opportunities for community involvement. The core areas of the program include independent living and continuing education, communication and socialization, recreation and leisure, and community integration.

Day Services currently has 145 Members. This year, Days Members volunteered at the Sun Valley Animal Shelter, Red Cross and the Desert Mission Food Bank. They competed in Special Olympics including bowling, track and field, cheerleading, basketball and bocce ball. Members also participated in many other activities including music, art, outings and events, speech and physical therapy, nutrition class, Glee Club and Dance Troupe. Many of these activities were moved to the new 29th Avenue Multipurpose Room at the start of the 2018 Fiscal Year.

# *Our Programs and Services*

## *Home and Community Based Services*

Home and Community Based Services (HCBS) provide valuable support to children and adults with disabilities in the convenience, safety and comfort of their own home. Services give much needed relief for the primary caregivers and are essential in ensuring that Members are able to remain in the home setting in lieu of being moved to a long-term care facility.

Employees delivering care receive extensive classroom instruction and hands-on training in a living situation, in addition to Member specific training prior to placement in the family home. The customized services are determined by the Member's needs and include habilitation, attendant care, respite care, companion care and housekeeping services.

This year HCBS had a total of 28,394 billable hours, which is up 3,166 hours from FY16. There are currently 27 Members in the HCBS program.

## *Vocational Services*

Vocational Services works to maximize independence and job opportunities for individuals with disabilities. This program supports those who are seeking employment. Services include job search and placement, job coaching and support, supervised employment, ongoing job readiness training, resume building, interviewing skills and benefits counseling.

VALLEYLIFE offers Members the support and training needed to gain employment in the community and the ongoing support to ensure continued successful employment. We are committed to assisting individuals with disabilities in our community by providing comprehensive, on-the-job support services to employees and employers. This creates a successful and productive employment relationship.

VALLEYLIFE operates a full service commercial printing company, Williams Express Document & Print Services. Williams Express offers a wide variety of services and offers free pick-up and delivery. As a subsidiary of VALLEYLIFE, all profits from the printing company are used to support VALLEYLIFE Members. VALLEYLIFE also offers production (shrink wrap, order fulfillment, sorting, kitting, labeling, packaging), janitorial, retail and restaurant services.

This year, Job Development and Placement served 228 Members. Of those served, 75 were placed into community employment at an average starting wage of \$11.06. It took an average of 74 days to place each Member. Group Supported Employment served 39 Members, 13 Members were served by Janitorial Services, 84 Members were served by the Production Center and 27 Members were served by Williams Express Document & Print Services. Van cleaning services were also implemented at the VALLEYLIFE main campus this year.

# *VALLEYLIFE Foundation*

## *About VALLEYLIFE Foundation*

VALLEYLIFE Foundation is the sole recipient of funds generated by VALLEYLIFE events and undesignated donations. Funding from VALLEYLIFE Foundation is used to provide unfunded needs for VALLEYLIFE Members. While these unfunded needs may not be essential for life, they are essential for ensuring the enhanced quality of life our VALLEYLIFE Members deserve.

The VALLEYLIFE Foundation Board works closely with the specific VALLEYLIFE programs to understand the unique and individual needs of the Members. These needs are funded on an annual basis. Foundation Board Members participate directly in the process to ensure they have a thorough understanding of Member needs and to develop clear goals and policies to meet those needs.

The VALLEYLIFE Foundation's purpose is to ensure there are funds available for the long term needs of VALLEYLIFE Members. Members are primarily funded by the Division of Developmental Disabilities (DDD), but these funds have very specific parameters. Some costs to VALLEYLIFE do not fall into these parameters, but are necessary for the care and well-being of our Members.

## *Unfunded Needs*

Unfunded needs vary throughout VALLEYLIFE depending on the programs and locations. Below are examples of the types of Member needs that are met by VALLEYLIFE Foundation funds.

The Vocational Program uses VALLEYLIFE Foundation funds to support Members in their job search and continued successful employment. Some items that are not covered but are essential for successful job hunting and performance are hygiene supplies, clothing for interviews, and bus passes.

VALLEYLIFE Foundation funds are used by the Days Program to offer classes that may not otherwise be available to our Members. One of the classes funded by the VALLEYLIFE Foundation is Music. VALLEYLIFE's music class is held twice a month and is fun and educational for all skill levels. Members are given the opportunity to try a variety of instruments and learn about types of music.

The Residential Program uses funds from the VALLEYLIFE Foundation for daily living supplies that are not covered by general funding. These supplies are much needed to ensure the comfort and safety of our Members in their homes. Some of these supplies include:

- PRN (pro re nata or "as needed") supplies such as Advil, Ibuprofen, antibiotic cream, blood pressure cuffs and thermometers
- Bed bug resistant mattress, box spring and pillow covers
- Shower chairs
- Pots and pans
- Furniture

# How You Can Help

## Give Your Time

Volunteers are a big part of VALLEYLIFE. Volunteer projects include beautification projects, reading, baking cookies, helping at special events, and working on special office projects. Sharing your time, talents, and resources enables us to further our goals and our Members and staff really love visitors!

If you are interested in corporate volunteer projects, we are happy to have your group out to help us! We are able to accommodate small to medium sized groups in a variety of locations.

To inquire about volunteering please call Ann Polunsky, Grant Writer, at (602) 216-6385, or via email at [apolunsky@valleylifeaz.org](mailto:apolunsky@valleylifeaz.org).

## Make a Donation

### *Monetary Donations to VALLEYLIFE Foundation*

The VALLEYLIFE Foundation is a 501(c)(3) nonprofit corporation that was formed in 1992 to “solely expand, improve and maintain VALLEYLIFE.” The Foundation was started with modest donations from individuals with the purpose of providing long-term financial stability for VALLEYLIFE.

### *Monetary Donations to VALLEYLIFE*

You can also donate to a specific program or function of VALLEYLIFE. If you would like your donation used for a specific purpose, you can donate directly to VALLEYLIFE and be sure to designate where you would like your donation to be applied.

VALLEYLIFE is a 501(c)(3) nonprofit organization that qualifies for the *Arizona Charitable Tax Credit* as a charitable organization supporting those in need. Donations can be made for up to \$400 for an individual, or up to \$800 for a couple filing a joint return. If you would like your donation to qualify for the Credit for Donations Made to a Qualifying Charity tax credit, please be sure to note “Charitable Tax Credit” on your payment. Your tax credit donation can provide you with a dollar-for-dollar credit toward your Arizona state tax bill!

### *Tribute, Memorial & Legacy Gifts*

Send a *tribute gift* for a special birthday,

holiday or congratulation. Make a gift of \$10 or more to VALLEYLIFE Foundation or VALLEYLIFE in the honor of someone special and VALLEYLIFE will send a beautiful personalized card to the recipient on your behalf.

A *memorial gift* to VALLEYLIFE Foundation or VALLEYLIFE allows you to express your sympathy and condolences in a unique way. Your gift will ensure that a member of our community will receive the support and care needed. With your donation of \$10 or more, we'll mail the recipient a personalized greeting card, acknowledging your thoughtful gift in memory of their loved one.

You may also elect to create a legacy by making a bequest to VALLEYLIFE Foundation or VALLEYLIFE in your will. *Legacy gifts* may include a bequest, charitable lead trust, charitable gift annuity, life insurance policy, retirement plan assets or a gift of property with a retained life estate.

### *How to Make Your Donation*

VALLEYLIFE Foundation and VALLEYLIFE accept cash, checks, all major credit cards, and stock and bond gifts. *Monetary donations* can be made in person, over the phone at (602) 371-0806, or on our website at [www.valleylifeaz.org](http://www.valleylifeaz.org). To make a *tribute, memorial, or legacy gift, or to alert us of future planned gifts*, please contact Margaret Stephens-Reed, Director of Fund Development, at (602) 331-2414 or via email at [mreed@valleylifeaz.org](mailto:mreed@valleylifeaz.org).

# Support VALLEYLIFE

## Join the Bernice Kussell Society

In recognition of the importance of collaboration, as well as your commitment to supporting our Members and the work we do, we founded the Bernice Kussell Society. The Bernice Kussell Society is part of the VALLEYLIFE Foundation, which supports VALLEYLIFE by funding Member needs that are not covered by traditional funding sources.

Annual membership contributions provide undesignated funds to meet unexpected Member needs which are not covered by the Agency's budget or by a specific fund. Membership includes invitations to special donor events where Society members have the opportunity to meet with keynote speakers, celebrities and researchers in the field of physical, developmental and mental disabilities.

Join the Bernice Kussell Society today and become a part of this special group of individuals who recognize the urgent need to provide the resources necessary to support community members with disabilities.

You can make an outright gift of \$1,000 or more, or sign a pledge commitment to make a gift of \$1,000 or more within the fiscal year (July 1 – June 30). Gifts can be made by cash, credit card, corporate matching gifts, and/or securities. Payment plans can also be arranged.

Membership gifts, which are exclusive of other gifts made in support of special events or capital campaigns, are active for one year and are renewable annually.

In addition, a contributor and spouse whose combined annual gift equals \$1,000 or more will be eligible for a joint membership. An individual, living or deceased, may be recognized as a Society member through a qualifying gift made in his or her honor. Corporate contributions qualify for membership.

Join today! Contact Margaret Stephens-Reed at (602) 331-2414 or [mreed@valleylifeaz.org](mailto:mreed@valleylifeaz.org)
